

SAFETY DATA SHEET

according to Regulation (EU) 2015/830

Page 1/7

Solus mBPW

Revision 1
Revision date 2019-07-11

SECTION 1: Identification of	the substance/mixture and of the company/undertaking
1.1. Product identifier	
Product name	Solus mBPW
Product code	MED038
1.2. Relevant identified uses of t	the substance or mixture and uses advised against
Product Use	[SU3] Industrial uses: Uses of substances as such or in preparations at industrial sites; [PROC15] Use as laboratory reagent;
1.3. Details of the supplier of the	e safety data sheet
Company	Solus Scientific Solutions Limited
Address	9 Mansfield Networkcentre, Millennium Business Park
	Concord Way, Mansfield, NG19 7JZ
	uk
Web	www.solusscientific.com
Telephone	+44 (0)1623 429701
Email	Solus.info@perkinelmer.com
1.4. Emergency telephone numb	per
Emergency telephone number	+44 (0)1623 429701
SECTION 2: Hazards identif	ication
2.1. Classification of the substar	nce or mixture
2.1.2. Classification - EC 1272/2008	The product is classified as non hazardous.
2.2. Label elements	
	P101 - If medical advice is needed, have product container or label at hand. P102 - Keep out of reach of children. P501 - Dispose of contents/container to an appropriate waste site or reclaim (in accordance with local/regional/national/international regulation).
2.2. Label elements	
Hazard Statement	No Significant Hazard
2.3. Other hazards	
Other hazards	This product is not identified as a PBT substance.

Revision 1
Revision date 2019-07-11

	Revision date 2019-07-11
SECTION 3: Composition/in	nformation on ingredients
3.1. Substances	
	Not applicable.
3.2. Mixtures	·
	No Significant Hazard.
	,
SECTION 4: First aid measi	
4.1. Description of first aid mea	
Inhalation	In case of accident by inhalation: remove casualty to fresh air and keep at rest.
Eye contact	Contact lenses should be removed. Rinse immediately with plenty of water for 15 minutes holding the eyelids open.
Skin contact	After contact with skin, take off immediately all contaminated clothing, and wash immediately with
Juli Johnada	plenty of water.
Ingestion	Keep the affected person warm and at rest. DO NOT INDUCE VOMITING unless advised to do so
	by a doctor. Rinse mouth thoroughly.
4.2. Most important symptoms a	and effects, both acute and delayed
Inhalation	May cause irritation to respiratory system.
Eye contact	May cause irritation to eyes.
Skin contact	May cause irritation to skin.
Ingestion	Ingestion may cause nausea and vomiting.
4.3. Indication of any immediate	e medical attention and special treatment needed
Inhalation	Seek medical attention if irritation or symptoms persist.
Eye contact	Seek medical attention if irritation or symptoms persist.
Skin contact	Seek medical attention if irritation or symptoms persist.
Ingestion	If you feel unwell, seek medical advice (show the label where possible).
SECTION 5: Firefighting me	easures
5.1. Extinguishing media	
J J	Use as appropriate: Carbon dioxide (CO2), Alcohol resistant foam, Powder.
5.2. Special hazards arising from	
	Burning produces irritating, toxic and obnoxious fumes.
5.3. Advice for firefighters	-
	In case of fire and/or explosion do not breathe fumes. Wear suitable respiratory equipment when necessary. Wear suitable protective clothing, gloves and eye/face protection.
OFOTION S.	
SECTION 6: Accidental rele	
6.1. Personal precautions, prote	ective equipment and emergency procedures
	No precautions required to be mentioned.

6.2. Environmental precautions

Revision 1
Revision date 2019-07-11

6.2. Environmental precautions		
	Do not empty into drains; dispose of this material and its container in a safe way.	
6.3. Methods and material for co	ontainment and cleaning up	
	Avoid raising dust. Sweep up. Dispose of in compliance with all local and national regulations.	
6.4. Reference to other sections		
	See section 8 & 13 for further information.	
SECTION 7: Handling and s	torage	
7.1. Precautions for safe handling		
7.1. Precautions for sale nandiir		
	Do not eat, drink or smoke in areas where this product is used or stored. Wash hands after handling the product.	
7.2. Conditions for safe storage,	including any incompatibilities	
	Store at temperatures between 2 °C and 30 °C. Keep only in the original container. Keep containe tightly closed and dry. Protect from moisture.	
7.3. Specific end use(s)		
	See section 1.2 for further information.	
SECTION 8: Exposure contr	ols/personal protection	
8.1. Control parameters		
	Exposure above the recommended occupational exposure limit (OEL) may cause adverse health effects.	
8.2. Exposure controls	·	
8.2.1. Appropriate engineering controls	Ensure adequate ventilation of the working area.	
8.2.2. Individual protection measures	Not normally required. Use as appropriate:.	
Eye / face protection	safety glasses with side-shields.	
Skin protection -	Chemical resistant gloves.	
Handprotection	Wear quitable protective elething	
Skin protection - Other	Wear suitable protective clothing.	
Respiratory protection	Do not breathe dust. In case of insufficient ventilation, wear suitable respiratory equipment.	
Thermal hazards	No data is available on this product.	
8.2.3. Environmental exposure	See section 7 for further information.	

SECTION 9: Physical and chemical properties

controls

9.1. Information on basic physical and chemical properties

Revision Revision date 2019-07-11

9.1. Information on basic physical and chemical properties

Appearance	Powder
Colour	
Odour	Characteristic
Odour threshold	Not applicable.
pH	6.8 - 7.2
Melting point	No data available
Freezing Point	No data available
Initial boiling point	No data available
Flash point	Not applicable.
Evaporation rate	No data available
Flammability (solid, gas)	Not applicable.
Vapour pressure	Not applicable.
Vapour density	Not applicable.
Relative density	No data available
Fat Solubility	No data available
Partition coefficient	No data available
Autoignition temperature	Not applicable.
Viscosity	No data available
Explosive properties	Not applicable.
Oxidising properties	Not applicable.
Solubility	Soluble in water

9.2. Other information

Conductivity	No data available
Surface tension	No data available
	Not applicable.
Benzene Content	No data available
Lead content	No data available
VOC (Volatile organic	
compounds)	

SECTION 10: Stability and reactivity

smoke.

1	0		1.	Re	ac	tiv	/itv
---	---	--	----	----	----	-----	------

10.1. Reactivity			
	Stable under normal conditions. See section 7 for further information.		
10.2. Chemical stability			
	Will not decompose if stored and used as recommended.		
10.3. Possibility of hazardous re	actions		
	No precautions required to be mentioned.		
10.4. Conditions to avoid			
	No precautions required to be mentioned.		
10.5. Incompatible materials			
	No precautions required to be mentioned.		
10.6. Hazardous decomposition	products		
	Carbon oxides, Organic materials may be formed in fire conditions. Fire will produce dense black		

Revision 1
Revision date 2019-07-11

### SECTION 11: Toxicological information 11.1. Information on toxicological effects Acute toxicity Skin corrosion/infration Befous eye damage/infration Respiratory or skin sensitisation Gern cell mutagenicity Reproductive toxicity No data is available on this product. See section 3 for further information. No data is available on this product. See section 3 for further information. 11.1.2. Mixtures See section 3 for further information. 11.1.3. Hazard Information See section 3 for further information. 11.1.4. Toxicological Information No data is available on this product. 11.1.6. Classification Criteria No data is available on this product. No data is available on this product. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.1. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.1. Interactive effects No data is available on this product. 11.1.1. Absence of specific data No data available. Not data available. 11.1.1.1. Other information		Revision date 2019-07-11
Acute toxicity Skin corrosion/irritation Serious eye damage/irritation Serious eye damage/irritation May cause irritation to skin. See section 3 for further information. May cause irritation to to eyes. See section 3 for further information. May cause irritation to eyes. See section 3 for further information. May cause irritation to eyes. See section 3 for further information. May cause irritation to eyes. See section 3 for further information. May cause irritation to eyes. See section 3 for further information. May cause sensitisation by inhalation and skin contact. See section 3 for further information. May cause sensitisation by inhalation and skin contact. See section 3 for further information. No data is available on this product. See section 3 for further information. No data is available on this product. See section 3 for further information. 11.1.2. Mixtures See section 3 for further information. 11.1.4. Toxicological information See section 3 for further information. 11.1.4. Toxicological information No data is available on this product. 11.1.6. Classification Criteria Not applicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.1.1. Absence of specific data No data available. Not applicable.	SECTION 11: Toxicological i	nformation
Skin corrosion/irritation Serious eye damage/irritation Serious eye damage/irritation May cause irritation to eyes. See section 3 for further information. May cause irritation to eyes. See section 3 for further information. May cause irritation to eyes. See section 3 for further information. May cause irritation to eyes. See section 3 for further information. May cause sensitisation by inhalation and skin contact. See section 3 for further information. May cause sensitisation by inhalation and skin contact. See section 3 for further information. May cause irritation to eyes. See section 3 for further information. No data is available on this product. See section 3 for further information. No data is available on this product. See section 3 for further information. 11.1.2. Mixtures See section 3 for further information. 11.1.3. Hazard Information See section 3 for further information. 11.1.4. Toxicological Information No data is available on this product. 11.1.6. Classification Criteria Not applicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.1.1. Absence of specific data No data available. Not applicable. Not applicable.	11.1. Information on toxicologica	al effects
Serious eye damage/irritation Respiratory or skin sensitisation Germ cell mutagenicity Carcinogenicity Reproductive toxicity STOT-single exposure STOT-repeated exposure Aspiration hazard Repeated or prolonged exposure 11.1.2. Mixtures See section 3 for further information. May cause sensitisation by inhalation and skin contact. See section 3 for further information. May cause sensitisation by inhalation and skin contact. See section 3 for further information. May cause sensitisation by inhalation and skin contact. See section 3 for further information. No data is available on this product. No data is available on this product. See section 3 for further information. No data is available on this product. See section 3 for further information. 11.1.2. Mixtures See section 3 for further information. 11.1.4. Toxicological Information No data is available on this product. 11.1.6. Classification Criteria No data is available on this product. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.1.0. Interactive effects No data is available on this product. 11.1.1.1. Absence of specific data No data ovailable. No data ovailable. Not applicable.	Acute toxicity	No data is available on this product. See section 3 for further information.
May cause sensitisation by inhalation and skin contact. See section 3 for further information.	Skin corrosion/irritation	May cause irritation to skin. See section 3 for further information.
Sensitisation Germ cell mutagenicity Reproductive toxicity Reproductive toxicity RTOT-single exposure STOT-repeated exposure Aspiration hazard Repeated or prolonged exposure 11.1.2. Mixtures See section 3 for further information. 11.1.3. Hazard Information See section 3 for further information. 11.1.4. Toxicological information No data is available on this product. See section 3 for further information. 11.1.5. Classification Criteria Not applicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. No data is available on this product. No data wailable on this product. 11.1.1.0. Interactive effects No data is available on this product. No data is available on this product.	Serious eye damage/irritation	May cause irritation to eyes. See section 3 for further information.
Carcinogenicity Reproductive toxicity Reproductive toxicity No data is available on this product. See section 3 for further information. No data is available on this product. See section 3 for further information. 11.1.2. Mixtures See section 3 for further information. See section 3 for further information. 11.1.4. Toxicological Information No data available No data is available on this product. 11.1.6. Classification Criteria Not applicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.1.0. Interactive effects No data is available on this product. 11.1.1.1. Absence of specific data No data available.	-	May cause sensitisation by inhalation and skin contact. See section 3 for further information.
Reproductive toxicity STOT-single exposure STOT-repeated exposure Aspiration hazard Repeated or prolonged exposure 11.1.2. Mixtures See section 3 for further information. See section 3 for further information. See section 3 for further information. 11.1.3. Hazard Information See section 3 for further information. 11.1.4. Toxicological Information No data is available on this product. See section 3 for further information. 11.1.5. Classification Criteria No data available No data available No tapplicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.1.1. Interactive effects No data is available on this product. 11.1.1.1. Absence of specific data No data available.	Germ cell mutagenicity	No data is available on this product.
STOT-single exposure STOT-repeated exposure Aspiration hazard Aspiration hazard Aspiration hazard No data is available on this product. See section 3 for further information. No data is available on this product. See section 3 for further information. No data is available on this product. See section 3 for further information. No data is available on this product. See section 3 for further information. 11.1.2. Mixtures See section 3 for further information. 11.1.3. Hazard Information No data available No data available No data is available on this product. 11.1.6. Classification Criteria Not applicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.1.1. Interactive effects No data is available on this product. 11.1.1.1. Absence of specific data No data available. No data available. No data available. No data publicable.	Carcinogenicity	No data is available on this product.
STOT-repeated exposure Aspiration hazard Repeated or prolonged exposure 11.1.2. Mixtures See section 3 for further information. No data is available on this product. See section 3 for further information. No data is available on this product. See section 3 for further information. 11.1.3. Hazard Information See section 3 for further information. 11.1.4. Toxicological Information No data available No data is available on this product. 11.1.6. Classification Criteria Not applicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.1.1. Interactive effects No data available on this product. 11.1.1.1. Absence of specific data No data available. Not applicable.	Reproductive toxicity	No data is available on this product.
Aspiration hazard Repeated or prolonged exposure 11.1.2. Mixtures See section 3 for further information. 11.1.3. Hazard Information See section 3 for further information. 11.1.4. Toxicological Information No data is available on this product. See section 3 for further information. 11.1.4. Toxicological Information No data available No data is available on this product. 11.1.6. Classification Criteria Not applicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.10. Interactive effects No data is available on this product. 11.1.11. Absence of specific data No data available. Not applicable. Not applicable.	STOT-single exposure	No data is available on this product.
Repeated or prolonged exposure 11.1.2. Mixtures See section 3 for further information. 11.1.3. Hazard Information See section 3 for further information. 11.1.4. Toxicological Information No data available No data is available on this product. 11.1.6. Classification Criteria Not applicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.10. Interactive effects No data is available on this product. 11.1.11. Absence of specific data No data available. No data vailable. 11.1.12. Mixture versus substance information Not applicable.	STOT-repeated exposure	No data is available on this product.
See section 3 for further information.	Aspiration hazard	No data is available on this product. See section 3 for further information.
See section 3 for further information. 11.1.3. Hazard Information See section 3 for further information. 11.1.4. Toxicological Information No data available No data is available on this product. 11.1.6. Classification Criteria Not applicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.10. Interactive effects No data is available on this product. 11.1.11. Absence of specific data No data available. 11.1.12. Mixture versus substance information Not applicable.		No data is available on this product. See section 3 for further information.
11.1.3. Hazard Information See section 3 for further information. 11.1.4. Toxicological Information No data available No data is available on this product. 11.1.6. Classification Criteria Not applicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.10. Interactive effects No data is available on this product. 11.1.11. Absence of specific data No data available. 11.1.12. Mixture versus substance information Not applicable.	11.1.2. Mixtures	
See section 3 for further information.		See section 3 for further information.
11.1.4. Toxicological Information No data available No data is available on this product. 11.1.6. Classification Criteria Not applicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.10. Interactive effects No data is available on this product. 11.1.1. Absence of specific data No data available. 11.1.1.2. Mixture versus substance information Not applicable.	11.1.3. Hazard Information	
No data available No data is available on this product. 11.1.6. Classification Criteria Not applicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.10. Interactive effects No data is available on this product. 11.1.11. Absence of specific data No data available. 11.1.12. Mixture versus substance information Not applicable.		See section 3 for further information.
No data is available on this product. 11.1.6. Classification Criteria Not applicable. 11.1.7. Information on likely routes of exposure Skin contact. Inhalation. 11.1.8. Symptoms related to the physical, chemical and toxicological characteristics No data is available on this product. 11.1.9. Delayed and immediate effects as well as chronic effects from short and long-term exposure No data is available on this product. 11.1.10. Interactive effects No data is available on this product. 11.1.11. Absence of specific data No data available. 11.1.12. Mixture versus substance information Not applicable.	11.1.4. SECTION 12: Ecological information	SECTION 12: Ecological info	ormation
12.1. Toxicity	12.1. Toxicity	

Revision 1
Revision date 2019-07-11

12.1. Toxicity	
	No data available
12.2. Persistence and degradab	ility
	No data is available on this product.
12.3. Bioaccumulative potential	
	No data is available on this product.
Partition coefficient	
	Solus mBPW No data available
12.4. Mobility in soil	
	No data is available on this product.
12.5. Results of PBT and vPvB	assessment
	No data is available on this product.
12.6. Other adverse effects	
	No data available.
SECTION 13: Disposal cons	siderations
13.1. Waste treatment methods	
	Dispose of in compliance with all local and national regulations.
Disposal methods	
	Contact a licensed waste disposal company. Do not flush into surface water. This material and its container must be disposed of in a safe way.
Disposal of packaging	
	Empty containers can be sent for disposal or recycling. Containers can be recycled if in compliance with local and national regulations. Do NOT reuse empty containers.
SECTION 14: Transport info	rmation
14.1. UN number	
	The product is not classified as dangerous for carriage.
14.2. UN proper shipping name	•
	The product is not classified as dangerous for carriage.
14.3. Transport hazard class(es)
	The product is not classified as dangerous for carriage.
14.4. Packing group	•
	The product is not classified as dangerous for carriage.
14.5. Environmental hazards	·
	The product is not classified as dangerous for carriage.
14.6. Special precautions for us	1 2
	The product is not classified as dangerous for carriage.
14.7. Transport in bulk according	g to Annex II of MARPOL 73/78 and the IBC Code
-	-

Revision 1
Revision date 2019-07-11

14.7. Transport in bulk according to Annex II of MARPOL 73/78 and the IBC Code

The product is not classified as dangerous for carriage.

SECTION 15: Regulatory information

15.1. Safety, health and environmental regulations/legislation specific for the substance or mixture

COMMISSION REGULATION (EU) 2015/830 of 28 May 2015 amending Regulation (EC) No 1907/2006 of the European Parliament and of the Council on the Registration, Evaluation, Authorisation and Restriction of Chemicals (REACH).

15.2. Chemical safety assessment

No data is available on this product.

SECTION 16: Other information

Other information

DISCLAIMER: The information and recommendations set forth herein ("Information") are presented in good faith and believed to be correct as of the date issued. No representation is made regarding the completeness or accuracy of the Information. Further, because of the many factors that affect the use of this product, the Information is supplied upon the condition that the person(s) receiving it will make their own determination regarding its suitability for their own unique purpose(s), prior to use.

Except as expressly stated herein, NO WARRANTIES, GUARANTEES, OR REPRESENTATIONS OF ANY KIND, EXPRESS OR IMPLIED, INCLUDING, BUT NOT LIMITED TO, IMPLIED WARRANTY OF MERCHANTABILITY, FITNESS FOR A PARTICULAR PURPOSE, COURSE OF PERFORMANCE, USAGE OF TRADE, OR RESULTS TO BE OBTAINED BY USE OF THIS PRODUCT are made with respect to this product or use of this product. The product covered is furnished "as is" and only subject to the warranties herein provided, no liability is assumed resulting from the use of this product.
